

Fall Conference 2003

Fess Parker's Double Tree Resort, Santa Barbara

Call for Speakers

By Jan Langtry, CSIS, 2003 CETPA Speaker Chair

CETPA is in the process of developing its 2003 Fall Conference program for breakout sessions. Your participation will contribute to a successful conference. If you have a topic you would like to present to our attendees, please sign up! This is your opportunity to share your experiences and lessons learned with your successful (or not so successful) hardware or software implementation. Please submit your Speaker Registration form as early as possible. We would like to have the program for breakout sessions developed and published with the Conference Announcement in July.

We are especially interested in your experiences with the following topics:

- Total Cost of ownership, doing more for less
- E-Rate experiences
- Network connectivity
- ATM or gigabit Ethernet implementation
- VPN Deployment
- Windows or Novell networking
- Emerging technologies
- Help desk support
- Data mining and warehousing
- Data Analysis
- Firewall design and implementation
- Intranet/Web development
- Instructional technology (with the exception of curriculum)
- Windows 2000
- Wireless technology

A breakout session typically lasts for 45 to 55 minutes and can seat up to 50 conference attendees.

If you are interested, view or download the 2002 Speaker Registration Form, available in an Acrobat PDF format. Please send the completed form to the Speaker Chairperson Jan Langtry. You can contact Jan by email at jangtry@csis.k12.ca.us. ■

Speaker Registration for CETPA Conference 2003

Santa Barbara, California • November 19, 20 and 21

CETPA, founded in 1960, supporting California's educational technology community, is pleased to announce our upcoming 43rd Annual Conference. The theme of this year's conference is "*Engineering the Future of Educational Technology*." Vendors may provide presentation assistance depending upon your desired topic. Please share your vision and experience with other CETPA members. To be considered as a presenter for the conference, complete the form below and return it to Jan Langtry at the e-mail address listed at the bottom of the form.

Participation as a Speaker does not include Conference Benefits.
